EZZAHRA

MARRAKESH, MOROCCO

Sheltered behind high walls in the heart of the Palmeraie, 15 minutes from the bustle of the Medina, is one of the most glamorous villas in Morocco. Unlike many rental houses, there isn't a dud bedroom in the whole place. Ezzahra sleeps 16 with ease, in fabulous suites with fireplaces, deep balconies and high-spec bathrooms. Verdant lawns are dotted with fruit trees and there's a particularly good pool, lined by striped sunbeds. Lounge, eat, have massages and watch the four house tortoises amble across the garden.

It works every bit as well for mixed-age family holidays, 40th and 50th birthdays, wedding anniversaries or even Christmas (it's still warm). A magical place.

Sleeps 16 Book it Cazenove + Loyd offers seven nights from £27,440 (cazloyd.com or 020 7384 2332).

CASA DO MORRO

TRANCOSO, BRAZIL

Staying at this gorgeous Brazilian beach house is all about living the laidback life, with barefoot days on a palm-fringed beach and barbecue suppers under a bougainvillea-clad pergola. But it gets better. There's a tree house! And you can sleep in it! It's rustic but charming; a winning combination of dark raw wood, high ceilings and filtered light, with tables made from small tree trunks, shelves crafted from a boat rudder, recycled copper taps and straw-basket lampshades. So super-cute it'll stir up tantrums over which two lucky sprites get to bed down there.

Sleeps 10 Book it Brazilian Beach House Company offers seven nights from £5,215 (brazilianbeachhouse.com or 00 55 21 2225 9476).

SHEMSHAK LODGE

COURCHEVEL, FRANCE

A serious chalet in a serious resort. Courchevel shows no sign of getting any less glitzy, but there are little pockets of loveliness – like this house – where you can retreat. Spilling over four floors, it's smart: interiors by Todhunter Earle, a soaring double-height living room with freestanding fireplace and a spa devotee's hideout with indoor pool and treatment room. As you would expect, the service is full-tilt, so the ski-school sprats can and must come along too. There's an amazing bunkroom and 24-hour nannying for when your après ski gets a bit out of hand.

Sleeps 13 Book it Seven nights from £22,500 (consensioholidays.co.uk or 020 3393 0833).
